

Voluntary Breath Testing at Splendour in the Grass 2018

STEER provided over 2700 voluntary breath tests and conducted surveys with almost 250 festival patrons.

BAC results...

We make positive person-to-person connections...

"His son watched him test - they both smiled & walked off happy!"

"Great you have this here"

"I was drinking earlier - wasn't sure what I'd be"

"I've had half a bottle of vodka - I stopped drinking about 10pm... just checking"

"Uh oh - looks like I'm bussing"

"I run a festival in NZ - I want what you guys are doing over there"

"I am so glad - its COLD & I wanna get outta here"

"I've never done a breath test"

"Thank god - good to check"

"Thanks for a great service..."

FACTS
Drink driving is one of the leading causes of motor vehicle crashes. In NSW during 2015, alcohol was found to be a contributing factor in 47% of fatal crashes on Thursday, Friday and Saturday nights, 15% of all fatal crashes and 9% of injury crashes
Source: <http://roadsafety.transport.nsw.gov.au/downloads/crashstats2015.pdf>

VISION
To positively change drink driving behaviour at festivals, community events & private functions likely to involve consumption of alcohol and driving.

OBJECTIVES

- increase awareness of standard drinks
- monitor number of standard drinks consumed
- increase awareness of estimated BAC
- increase awareness of alcohol processing by the body
- increase choice of safe celebrating options by those intending to drive;
- provide an accurate measure of BAC at festivals, community events and private functions;
- change behaviour of those intending to drive who test over their legal limit.

"is this machine accurate?"

All STEER breath testing devices are maintained and calibrated to Australian Standards.

"can you come to our event?"

Sure. STEER VBT attend events large & small e.g. major music festivals, smaller community events and private functions.

"let's connect..."

Creating positive person-to-person connections is at the core of STEER Voluntary Breath Testing. Please contact...
